The story.

Yes, it's true,

we are totally passionate with getting every cake detail just right! For over 12 years, our award nominated boutique baking has been the hidden gem creating modern buttercream Wedding Cakes, luxury Dessert Tables and Dessert Towers that wedding couples have loved from Oran Mor to House for an Art Lover to Brig o'Doon House to Trump Turnberry. Every mouth-watering detail tastes just as delicious as it looks.

It's our pleasure to create a stress-free visual feast tailored to you and what you love. No Big Day is too small or too big for some decadent cake! From helping you to select your perfect Cake and Dessert Table to packing away the dishes, we provide our expert eye to making your wedding the sweetest day ever.

Love at first bite.

★★★★★

I don't know how to thank you. Your service, product and concept is exceptional. You made 'arranging our wedding' so easy - your professionalism is on a whole new level. Now onto to cakes . . . stop the press! These were like bites of heaven. When the dessert table opened I was the first there and made sure I ate 3 - everything was unbelievable. "

A modern heart cake? A dreamy romantic look? Our buttercream wedding cakes are well worth considering for your special Big Day.

Flowers from your wedding florist are the perfect finishing touch and we can source a custom toppers or you can provide one of your own.

All of our Wedding Cakes designs can also be recreated as a smaller 1 tier Wedding Cake for intimate weddings.

THE CLASSIC DESSERT TABLE ▲

White tablecloth linen, white ceramic cake stands and servingware, inspired by light and airy spaces with a hint of French charm, perfect for a modern wedding, whether it's being held in an industrial space or a modern hotel venue.

THE RUSTIC GLAM DESSERT TABLE ▼

White tablecloth linen, white ceramic cake stands and platters and natural log slices from sustainable locally forested trees, a warm, natural look just right for a relaxed, boho wedding in a Scottish barn or a vintage venue.

Dessert Table styles.

THE HOLLYWOOD DESSERT TABLE ▲

White tablecloth with gold and white serving stands and cake dishes in a polished blend of gold and white, chic white lights around the table, a fantastic look for a showstopping celebration in any modern venue.

THE GLAMOUR DESSERT TABLE ▼

Gold tablecloth and table dressing, extra bling around the table, shimmery gold cake stands and serving stands with sparkly hanging crystals, designed to bring the wow factor to your Big Day reception.
