TWO TIER
WEDDING CAKE
WITH STACKED
DOUGHNUTS

@ MARINE HOTEL,
NORTH BERWICK

The
story.

Yes, it's true,

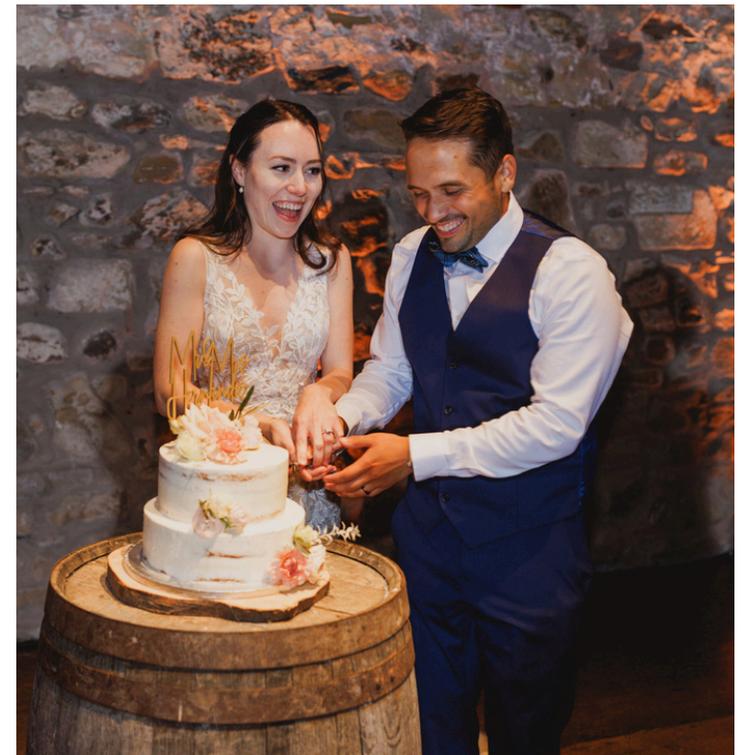

we are quite passionate about getting every cake detail just right. For over 12 years, we have been a hidden gem for wedding couples, creating mouth-watering buttercream Wedding Cakes, luxury Dessert Tables and Dessert Towers that guests have loved from Trump Turnberry to Oran Mor to Brig o'Doon House.

No Big Day is too small or too big for some decadent cake! From selecting your perfect Cake and Dessert Table to packing away the dishes, we provide our expert eye to making your wedding the sweetest day ever"

Wedding venues.

Client list.

A two-tier wedding cake is presented on a rustic wooden barrel. The cake has white frosting on the top tier and a pinkish-red frosting on the bottom tier, with a red rose on top. The background shows a restaurant interior with warm lighting, string lights, and people in the background.

Love at first bite.

★★★★★

I don't know however to thank you. Your service, product and concept is exceptional. You made 'arranging our wedding' so easy - your professionalism is on a whole new level. Now onto to cakes . . . stop the press! These were like bites of heaven. When the dessert table opened I was the first there and made sure I ate 3 - everything was unbelievable. "

*Kerry Cullen McQueen
Hilton Doubletree, Edinburgh*

★★★★★

"Each and every item tasted amazing and really was delicious! The table was displayed beautifully and Hosanna was amazing at all communication from start to finish!"

*Charlotte Marshall
Brig 'o' Doon House Hotel*

★★★★★

"Fantastic service from start to finish. Everything was well presented on the day with great attention to detail. The desserts were all excellent and all our guests commented on how tasty everything was. Would recommend and use again."
